Dear Jackie,

Here's the other document that Dan wanted to compile for everyone. It's very large (8 MB). Also I had trouble printing bc the printer 10452 would get stuck somewhere in the middle having a hard time with a page that was maybe a different paper size or orientation or something like that. So I ended up having to print hard copy 1st part & 2nd part separately. I'm in the office on Mon and have my copy, but I never went back to check if it was complete.

Also, before you send to everyone, Rachel Tennis, our attorney, and Angeles also wants to check any communication before it goes out. Can you send me the final version? Thanks!

Lily Lee
